Fact Sheet

18 months - 3 Years

Active parental/carers participation is required for this class.

This program has been designed for children aged from 18 months to 3 years, to experience educational activity in a fun, safe and stimulating environment.

Our **"Nappy Chasers Kindergym"** encourages children to explore and discover movement with their own bodies. This program promotes social and emotional development through encouragement, non-fail activities, turn-taking, sharing, positive communication, self-esteem and confidence all whilst having fun. We support and encourage children in developing coordination, balance, fundamental locomotive movement skills such as jumping, running, rolling, climbing, sliding, throwing, catching and kicking whilst also promoting confidence and self-esteem. The children participate in educational, age appropriate activities which help with Language and Numeracy development enhanced with the use of music and movement. Our variety of themed based activities promotes a healthy lifestyle and change weekly to keep the program fun and exciting.

Our Early Childhood staff members are accredited with Gymnastics Australia and our programs are affiliated with Gymnastics Australia's LAUNCHPAD program ensuring your child receives and participates in quality, high standard, educational programs. All our Early Childhood programs have been based on child development principles guided by the kinder gym Australia guiding principles.
