TEAM GYM PERFORMANCE Programme

What is Team Gym?

Team Gym is a GYMNSW participation program for all ages and abilities providing performance opportunities within a team environment for fun, fitness and friendship.

Team Gym competitions exhibit gymnastics skills in three disciplines; Floor, Tumbling and Single Mini Tramp. In each discipline the number of gymnasts is between 6 and 12. It is common for the performance to demonstrate effective teamwork, good technique in elements and spectacular acrobatic skills.

This program incorporates many different techniques used throughout gymnastics as well as some elements from other sports such as dance, cheer and acrobatics. In this program gymnasts will be expected to train on their nominated days per week, join in for performance competitions as a team and also purchase any needed uniforms.
