Mini Ninjas FREE G

Free G or freestyle is a term used to describe a new and rapidly developing activity which encourages participants to use traditional gymnastics equipment in new ways. It draws on influences from gymnastics, martial arts, free-running, parkour, tricking and break-dance. This program has been developed to facilitate the safe development of the activity within the confines of a recognised gymnastics environment.

Within a Free G class, participants find new and creative uses for traditional gymnastics apparatus, combining different apparatus into a series of obstacles. Many familiar gymnastics skills have been modified to increase difficulty, or include a new take of technique, and a variety of new skills have been developed within this discipline.

The Mini ninjas class is designed as an entry level program for children aged 4 – 7-years old to introduce them to the sport of parkour and free g including safety and precision, aerial awareness, apparatus obstacles and more.
