## Intermediate Recreational Girls Programme

The Intermediate Recreational Programme is a girl only programme for children aged 7 years -10 years. This programme offers a faster progression through more challenging skills such as handstands, cartwheels, round offs, handspring drills, walk over drills etc. These classes promote and develop flexibility, strength, co-ordination and stamina. Children will be involved in short games as well as having full use of all apparatus including beams, vault, bars, rope, tramp, mini tramp and a fully sprung floor. These classes are designed for those children who like to keep fit and healthy whilst having FUN! At the end of the Term children will be assessed in a short test to evaluate how well they are doing in gymnastics.
